

A two-tiered multidisciplinary program, each in four parts, designed for front-line and middle managers in healthcare, including charge nurses, clinical leaders, managers and/or supervisors who aspire to such positions. Also designed for those individuals recognized for their leadership abilities and potential. Directors are welcome.

Participants of the Arizona Healthcare Leadership Academy may be sponsored by their organization in recognition of their achievements and leadership potential. Tier II attendance requires graduation from Tier I or recommendation from a senior-level manager.

Learn how to improve team morale and motivation, successfully adapt to change, deal with project

A collaboration among The University of Arizona College of Nursing and Eller College of Management, Arizona Nurses Association, and Arizona Hospital and Healthcare Association.
