

A two-tier program, each in four parts, and a new directors-only program, designed for frontline nursing: team leaders, charge nurses, healthcare managers, supervisors, and all healthcare providers who aspire to such positions. Also designed for those individuals recognized for their leadership abilities and potential.

Participants of the Arizona Healthcare Leadership Academy may be sponsored by their organization in recognition of their achievements and leadership potential. Tier II attendance requires graduation from Tier I or recommendation from a senior-level manager.

Learn how to improve team morale and motivation, successfully adapt to change, deal with project pressures, communicate effectively, and more.
